

Contractor Check List

Make sure you have the following documents completed

1. 2021 Town of Greybull Contractor's License Application
2. Certificate of Good Standing for Wyoming Workman's Comp
3. Certificate of Good Standing for Unemployment
4. Electrical Contractors will need to bring in a copy of Current Electrical Contracting License
5. Bring in or mail all required documents with payment to the Town of Greybull for your license to be issued.

**** Fill out the Certificate of Coverage form and fax to Wyoming Worker's Safety and Compensation Employer Services and Wyoming Unemployment Tax Division Employer Services in order to obtain certificates of good standing. Both certificates of Good Standing are required even if you don't have workman's comp or unemployment, the State will still provide it.**
